

## **Travel FAQ's**

### **Can I use frequent flyer miles?**

Yes, our price includes the most inexpensive airfare we could find. However, if you would like to take care of your own airfare, you can certainly do so. We'll just deduct our airfare off the original price.

### **Can I request a single room?**

Yes, our trips are mostly based off of double occupancy. If you would like a room to yourself, please let us know and we should be able to accommodate. Additional rates do apply

### **Are the trips family friendly?**

Yes, most of the time our trips are a mixture of couples, singles and families. We welcome all to travel with us.

### **Do the trips include gear rentals?**

No, we have a special rate for folks who need rental gear on our trips but gear rental is an additional rate.

### **Do I need a passport?**

All international trips require a valid passport that expires no less than 6 months before the return date. Domestic flights just need a photo ID.

### **I'm a beginner; can I still go and have fun?**

Yes, our trip leaders are patient and willing to help anyone that needs some extra training or lessons.

### **My significant other doesn't participate in the skiing/scuba; can they still tag along?**

Yes, we want as many happy faces as possible. Often times there is a cheaper rate for someone not participating in the diving/skiing.
